

Einstein Quotes

We cannot solve our problems with the same thinking we used when we created them.

The true sign of intelligence is not knowledge but imagination.

The only reason for time is so that everything doesn't happen at once.

Everyone should be respected as an individual, but not idolized.

Misfortune suits mankind immeasurably better than success

Conscience supersedes the authority of the law.

Our sacred human responsibility is that we have to do the best we are capable of.

The striving for truth and knowledge is one of the highest of man's qualities.

Pride is most loudly voiced by those who strive the least.

All religions, arts and sciences are branches of the same tree.

People are like bicycles – they can keep their balance only as long as they keep moving.

All modern people are a conglomeration of so many ethnic mixtures that no pure race really remains

Something creative that has been done with love is to have done 'good'.

Failure is the best purifier.

Enlightenment is the non-participation in what we believe is evil.

Love is a better teacher than duty.

Einstein Quotes

Falling in love is not at all the most stupid thing that people do—but gravitation cannot be held responsible for it.

How on Earth are you ever going to explain in terms of chemistry and physics so important a biological phenomenon as first love?

Only character, not intellect make a great scientist.

If you cannot explain something simply, you don't understand it well enough.

Any person who reads too much and uses their own brain too little falls into lazy habits of thinking.

Women marry men hoping they will change. Men marry women hoping they will not. So each is inevitably disappointed

There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle.

Never stop questioning as curiosity has its own reason for existing.

Look deep into nature and you will understand everything better.

Great spirits have always encountered violent opposition from mediocre mind.

Try not to become a person of success, but rather try to become a person of value.

Imagination is more important than knowledge. Knowledge is limited, where imagination encircles the world.

Having respect for authority is the greatest enemy of truth.

Reading, after a certain age, diverts the mind too much from its creative pursuits.

Einstein Quotes

Few are those who see with their own eyes and feel with their own hearts.

Look for what is, not for what should be.

We are all part of the whole, called by the Universe.

I do not believe in standardizing human beings.

Human society depends upon the development accorded the individual.

Education is what remains after one has forgotten what one has learned in school.

A person who never made a mistake, never tried anything new.

The most beautiful experience we can have is the mysterious.

We who not longer pause to wonder are as good as dead.

Only a life lived for other is a life worth living.
