Gandhi Quotes

Be the change you want to see in the world.

We can judge a nation by the way it treats its animals.

An ounce of patience can be more powerful than a ton of preaching.

A person is the product of their thought forms.

You can shake the world through gentleness.

Non-violence is a weapon of the strong.

The way to get started is to stop talking and start doing.

Our time is limited, so do not waste it living someone else's life.

A predictable life would cease to be without flavor.

Believe as if nothing is impossible.

If we keep our faces always towards the sunshine, shadows will fall behind us.

The bad news is time flies…the good news is – we are the pilots.

The future depends on what we do in the present.

Our greatest ability as humans is not to change the world, but to change ourselves.

Service without humility is selfishness and egotism.

It does not require money to live a dignified and respectful life.

Speak only if it improves upon the silence.

Relationships are based on four principles: respect, understanding, acceptance and appreciation.

It is easy to stand in the crowd – it takes courage to stand alone.

Strength does not come from winning – it comes from not surrendering to hardships.

Fear can be an enemy – fear can be a friend.

There is a sufficiency in the world for man's need but not for man's greed.

There is no barrier that love cannot break.

Gandhi Quotes

Health is real wealth.

Honest disagreement is often a good sign of progress.

The real beauty of a woman is her character and purity.

Generosity, self-sacrifice and gentleness are the exclusive possession of no one race or religion.

To lose patience is to lose the battle.

Knowledge gained through experience is far superior and more useful than knowledge through books.

No one can take away our self-respect unless we give it to them.

No person loses their freedom except through their own weaknesses.

Strength comes from indomitable will not physical capacity.

Our actions express our priorities.

To believe in something, and not to live it, is dishonest.

Our future depends on what we do today.

Live simply so others may simply live.

Faith is not something to grasp – it is a state to grow into.

Life is but an endless series of experiments.

Truth is one – paths are many.

Carefully watch our thoughts, for they become our words
Manage and watch our worlds, for they become our actions
Consider and watch our actions, for they become our habits.
Acknowledge and watch our habits, for they become our values
Understand and embrace our values, for they become our destiny.
