

Resolution Cards

Introduction

Resolution definition:

determination, resolve, peaceful revolution, tenacity

These times are calling for change, and change takes courage, will and resolution. Before the world can evolve, we must evolve. This deck is meant to be a guide for transforming our lives into something better; we become more equipped to handle challenges and difficulties with greater ease.

When facing a problem, pick a card with the intention of being guided and guarded. Or pick a card a day and know that you are being watched and supported.
