

# Money Quotes

Love will get us through times of no money better than money will get us through times of no love.

The height of wealth is reached through many steps of failure.

Our sins are softly forgiven once we start sharing our money.

All riches come from daring to begin.

It is an illusion that money has anything to do with our worthiness.

Always with money, make room for kindness and compassion.

Money cannot buy happiness, unless we're helping another be happy.

Money speaks a language all nations understand - now let's work on love.

Money is not the root of all evil - being obsessed with it is.

When in need, find someone who has money - we will save them from themselves.

Money is only necessary in this lifetime....heaven does not use it.

Money without value has no value.

Anyone who gains a higher understanding of money helps others gain that understanding.

Be ourselves, whether we have money or not.

People who share money have the right to earn it.

Money and generosity makes for an earlier heaven.

When money talks, make sure heart is its silent partner.

A nation that treats its animals well is a rich nation indeed.

If we think money is everything, then we become all about money – how boring!

Money alone cannot make us happy, but having money can make someone else happier.

Making a living is nice, but making a life worth living is wonder.

Prestige and class have nothing to do with money; they have to do with grace.

Not all people who have money are fulfilled, but all fulfilled people feel rich.

It is a collective responsibility to make money the root of all good.

When having money, think divinely – when using money, think disciplinely.

The one thing money cannot buy is soul – so let's not sell our soul for money.

“This is business” is the biggest lie of all.

Goodness is the richest of all funding.

Never judge someone rich – it circumvents the ability to become rich ourselves.

Never forget that money is a human invention, therefore use it for a divine intervention.

We must use our heart, not our head when it comes to money.

Currency was meant to electrify – not terrify.

Use our cents to make sense.

Universal truth – the more we give, the more we receive.

Feeling rich or poor is a state of mind.

Never forget what is written on the dollar...“In God We Trust”.

Money and time are the heaviest burdens - for they must be used well.

Money with morality creates miracles.

Money should be used for serving another - not being a master over another.

Money is like manure - it has little use unless it is spread.
